

Eleven day trip: 2 bases

is intended for fairly experienced divers as some spots, such as Gili Tepekong, Gili Mimpang and Gili Biaha, Nusa Penida and Lembongan, are quite demanding owing to the fact that they are influenced by the currents of the Lombok Strait. This explains the extraordinary multitude of fishes and other marine life – shark, seasonal sunfish, turtle, right down to the small nudibranch. Macro photographers find their Eldorado at Scuba Seraya, adventure divers theirs at the Gilis or Penida and Lembongan, wreck freaks theirs at the Liberty. Our well-trained dive masters have been diving those sites for
